The **Best Teachers** Teach from the Heart, Not from the Book.

A brief summary of Speech on Teachers Day celebration from Our Hon'ble Secretary

Sri P. Nageswar Rao

Good morning, everyone. Respected teachers, dear students, and all staff of Sri Vidyasagara International School, Kampli. It is a great privilege to speak on this special day. Teachers' Day is a time for us to reflect on the immense role our educators play in shaping lives and futures.

A Message to Our Guiding Lights

To all our wonderful teachers, this day is a tribute to your dedication and hard work. As we continue on this journey of education, let us remember that our role extends beyond the curriculum. A little kindness, a moment of patience, or a listening ear can make all the difference to a young mind. Let's strive to connect with our students not just as learners, but as individuals, guiding them with a gentle hand and a compassionate heart.

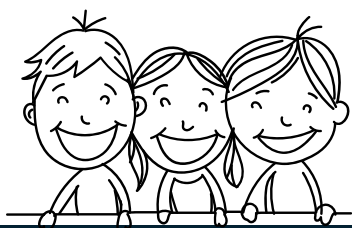

A Word to Our Brightest Stars

And to our students, I want to ask you to think for a moment about your parents. They work incredibly hard and make many sacrifices so you can attend this school. The greatest gift you can give them is your effort and respect. Please listen attentively to your teachers, concentrate on their lessons, and always be open to learning good moral values and ethics. Your obedience and dedication are the best ways to honor both your teachers and your parents.

Let us all work together—teachers and students—to build a future we can all be proud of. Happy Teachers' Day to all of you. Thank you.

Vision. Progress. Our Commitment

My dear students,

I want to extend my heartfelt appreciation for the wonderful games you organized for us on Teachers' Day. It was an absolute delight to see our teachers participate with so much energy and enthusiasm.

In those joyful moments, winning and losing became completely irrelevant. The true victory was in the great spirit and sportsmanship shown by everyone. Your thoughtful gesture created a truly special and memorable day for all of us.

Thank you once again for this wonderful celebration.

ಬೋಧನೆಯ ಶ್ರೇಷ್ಠ ಪ್ರತಿಫಲ ನೀವು ಪ್ರತಿದಿನ ಬೆಳೆಯುವುದನ್ನು ಮತ್ತು ಹೊಸ ವಿಷಯಗಳನ್ನು ಅನ್ವೇಷಿಸುವುದನ್ನು ನೋಡುವುದೇ ಆಗಿದೆ. ನಮ್ಮ ಜೀವನದಲ್ಲಿ ನೀವು ತರುವ ಸಂತೋಷಕ್ಕೆ ಧನ್ಯವಾದಗಳು.

एक शिक्षक का काम सिर्फ पढ़ाना नहीं है, बल्कि आपके भविष्य के लिए एक मजबूत चरित्र का निर्माण करना भी है। हमें आप पर बहुत गर्व है, और हम हर दिन यह देखकर खुश होते हैं कि आप अच्छे इंसान बन रहे हैं। धन्यवाद।

Formative Assessment Two: A Step Towards Excellence

Our students have successfully completed their **Formative Assessment Two (FA2)** exams. The evaluation process is currently underway, and we look forward to sharing the answer sheets with students and parents very soon. This assessment is a crucial part of our academic cycle, helping us understand each student's progress and areas for growth.

Teachers' Day: A Grand Celebration of Our Guiding Lights

"Where a student's hand is a teacher's honor."

Teachers' Day this year was a truly magnificent and memorable event. Our students went above and beyond to show their gratitude and affection for our dedicated educators. The day was filled with lively games, where teachers participated with great enthusiasm, adding a touch of fun to the festivities. The highlight of the evening was a touching honoring ceremony where every teacher was traditionally recognized on stage. With a shower of gifts, love, and respect from our students, it was a beautiful tribute to the passion and hard work of our teaching staff.

This honor was beautifully capped off by a traditional dance performance dedicated to all teachers. This heartfelt dance was captured in a special reel that was released last week, allowing the entire school community to enjoy and celebrate the students' immense talent and respect for their mentors.

Creative Corner: From Paper to Boats | Save the Birds Poster

Our art and craft classes have been a hub of creativity. In a fantastic hands-on activity, our 4th standard students channeled their artistic skills to create unique and innovative bots using just paper. Meanwhile, our 3rd standard students prepared thoughtful posters on saving birds. These projects not only honed their fine motor skills but also sparked their imagination, proving that art can be both fun and functional.
