

NEWS LETTER

Dear Parents, Students, and Well-wishers,

It gives me immense pleasure to present this latest edition of our school newsletter. As we look back at the vibrant weeks behind us, I am struck by the incredible spirit of growth that defines Sri Vidyasagara International School, Kampli.

This month has been one of "firsts" and "favorites." We have taken a giant leap in academic leadership by hosting our very first CBSE Capacity Building Programme (CBP) in collaboration with CoE Bengaluru, ensuring our teachers remain world-class mentors for your children.

Beyond the classroom, our students have carried the school's flag with grace to the prestigious Kampli Utsava 2026, where their Bharatanatyam performance reminded us all of the beauty of our rich heritage.

And perhaps most heartwarming, we saw our Nursery, LKG, and UKG students learning the foundational values of kindness and social etiquette through their special "Birthday Celebration Activity." Whether it is on a grand public stage or in a small classroom circle, our students are learning to lead with confidence and character.

As you flip through these pages, you will see more than just photos; you will see a community dedicated to nurturing every child's unique potential. Thank you for being a part of this beautiful journey.

Happy Reading!

CBP from CoE Bengaluru

WHEELS, WINGS, AND WAVES: EXPLORING MODES OF TRANSPORT

At Navabharatha Pre-Primary School, we believe that the best way to learn is to see, touch, and experience. This week, our classroom came alive with the sounds of engines and the excitement of travel as our little ones participated in a special "Vehicles Activity." The goal of the session was to introduce students to the three major modes of transportation: Land, Air, and Water.

Students took charge with a pointer stick, confidently identifying different vehicles and categorizing them. This activity was fantastic for building their vocabulary and observation skills, helping them understand the difference between a helicopter in the sky and a ship on the sea.

ORANGE DAY CELEBRATION: A SPLASH OF VIBRANCE

Our school bloomed with the color of energy and enthusiasm as we celebrated "Orange Day."

- A Visual Delight: Students and teachers arrived dressed in stunning shades of orange, creating a warm and festive atmosphere.
- Cultural Start: In true Navabharatha tradition, the day began with the lighting of the lamp placed at the center of a beautiful, colorful Rangoli, symbolizing the light of knowledge.

LEARNING THE ART OF CELEBRATION: A GRAND BIRTHDAY ACTIVITY FOR OUR KINDERGARTENERS!

At Sri Vidyasagara International School, Kampli, we believe that the world is a classroom and every event is a chance to learn. Recently, our vibrant Nursery, LKG, and UKG sections came together for a unique and heart-warming "Birthday Celebration Activity."

While no specific student was turning a year older, the entire wing was transformed into a festive zone to teach our little ones the etiquette, joy, and social values behind a birthday party.

A Lesson in Social Grace

For our youngest learners, attending a party is a big social milestone. This activity was designed to guide them through the "how-to" of celebrations in a structured, fun environment. The children learned:

- Sharing & Patience: Waiting for their turn as the "ceremonial" cake was cut and distributed.
- The Power of Wishing: Practicing how to greet friends with a smile and a warm "Happy Birthday."
- Dining Etiquette: Learning to sit together, use napkins, and eat snacks politely with their peers.
- Confidence Building: Giving our Nursery, LKG, and UKG students the stage to stand together and participate in group songs.

SRI VIDYASAGARA STARS SHINE AT KAMPLI UTSAVA 2026!

By: Cultural Committee, Sri Vidyasagara International School

The town of Kampli came alive with the vibrant colors of culture and tradition during the recently held Kampli Utsava 2026. Amidst the grand celebrations, the students of Sri Vidyasagara International School stole the hearts of the audience with a breathtaking Bharatanatyam performance.

A Symphony of Grace and Tradition

Dressed in traditional silk costumes, ornate jewelry, and temple borders, our young dancers were the epitome of grace. Their performance was more than just a dance; it was a display of discipline, devotion, and months of rigorous practice.

The students showcased:

- **Perfect Mudras:** Precise hand gestures that told ancient stories.
- **Rhythmic Footwork:** Synchronized movements that resonated with the beats of the music.
- **Expressive Abhinaya:** Captivating facial expressions that brought the spiritual essence of Bharatanatyam to life.

A Note of Appreciation

- We extend our heartfelt gratitude to the parents for their constant support and to the teachers who meticulously prepared the students for this grand stage. Events like these build immense confidence in our students, teaching them the importance of poise and public performance.

"Seeing our students perform on the Kampli Utsava stage was a moment of immense pride. They carried the school's name with elegance and proved that they are not just scholars, but true ambassadors of our culture." Principal

Representing Our Heritage

- Participating in an event as prestigious as Kampli Utsava allows our students to connect with their roots. By performing this classical Indian dance form on a public stage, our students represented the high standards of cultural education provided at Sri Vidyasagara International School.
- The roar of applause from the local community and dignitaries was a testament to the hard work put in by the students and their dance instructors.

A HISTORIC FIRST: SRI VIDYASAGARA INTERNATIONAL SCHOOL HOSTS CBSE CAPACITY BUILDING PROGRAMME

By: School Administration

In a landmark achievement for our institution, Sri Vidyasagara International School, Kampli, successfully organized its first-ever CBSE Capacity Building Programme (CBP). Conducted under the esteemed guidance of the Centre of Excellence (CoE), Bengaluru, this workshop marks a significant step forward in our mission to bring world-class educational practices to our campus.

Empowering Educators, Inspiring Students

The CBP is a specialized initiative by CBSE designed to enhance the pedagogical skills of teachers and, by extension, the learning outcomes for students. Hosting this for the first time in our school highlights our growing role as a hub for educational excellence in the region.

The session focused on:

- **Innovative Teaching Methodologies:** Moving beyond traditional rote learning to interactive, student-centric classrooms.
- **New Assessment Patterns:** Aligning with the latest CBSE guidelines to ensure our students are well-prepared for competitive standards.
- **Classroom Management:** Strategies to foster a positive, inclusive, and emotionally supportive learning environment.

Expert Guidance from CoE Bengaluru

We were honored to host distinguished resource persons deputed by CoE Bengaluru. Their expertise provided our faculty with deep insights into the National Education Policy (NEP) and modern instructional techniques. The interactive sessions included group discussions, mock teaching drills, and collaborative planning.

Why This Matters for Our School

- By bringing the CoE Bengaluru experts directly to Kampli, Sri Vidyasagara International School ensures that our teaching staff remains at the cutting edge of modern education. This investment in professional development directly benefits our students, who will now experience even more dynamic and effective classroom sessions.

"Hosting the CBSE CBP for the first time is a proud moment for all of us. It reaffirms our dedication to continuous improvement and our promise to provide the best possible education to every child at Sri Vidyasagara." - Secretary
